TA session: Shijie is well-prepared. The contents in the session covered the review for the lecture and relevant exercises. He also tried to interact with students. Moreover, he always stays a little bit longer for individual questions after TA sessions. / Office hour: Shijie helped me solve many problems by offering tips and hints. In addition, as a Ph.D. student, Shijie offered not only course-related hints and suggestions, also general learning advice. / In general, he is a very qualified TA and helped me (and my cohorts, I believe) a lot. /
